
DOUGLASS POOL UPDATE

DEMOLITION IS COMPLETE!

Splash Pad Pumps

The Splash Pad pumps, filters, and pit will remain in this location. They will be incorporated into the new restroom & pump room building location.

Shades Structures

The shade structures will remain in place and be incorporated into the new pool deck. The light poles will also remain in place except for one that will be relocated.

Completed Tasks

- Demolition is complete.
- We have temporarily left the old pool liner in place for erosion control.
- Once construction begins, the old liner will be removed and excavation of the new pool shape will begin. The pool will have a brand new liner once complete.

Ongoing Tasks

- Project is currently advertised for bid. We have received a lot of positive feedback from contractors and look forward to selecting a great fit for the project.
- Parks expects to award the new pool construction contract in early 2024.
