# DOUGLASS POOL UPDATE

---

## DEMOLITION IS UNDERWAY!

---

### Preserving History

---

Brick sections of the pool house have been saved in an effort to preserve history. Parks plans to display them in the new pool house with the addition of small plaques to pay homage to past generations. Patrons can view a piece of history between swim breaks.

---

### Uncovering History

---

A section of the original pool was discovered during demolition. This project will be the third installation of a pool in this exact location!

---

### Completed Tasks

---

- Design is complete.
- Geotechnical engineers have completed their onsite work. Parks is currently waiting for their report.
- Bid for pool contractor has been advertised.

---

### Ongoing Tasks

---

- Pre-Bid meeting will be held first week of December.
- Demolition is ongoing and anticipated to be complete mid-December.
- Parks expects to award the new pool construction contract in early 2024.
