Interactive Ground Games

ABOUT:

Ground games provide enhanced interactive experiences for children and adults to connect on the playground! Play Twister, Four Square, or play on a mini race track!

EXAMPLE

MATERIALS:

- Painting Materials (Brushes, roller pads, painter's tape, etc. All materials collected after use)
- Pressure Washer (supplied by Partner)
- Concrete/Asphalt Primer and Paint (Sherwin Williams Porch Paint or equivalent)

SIZE:

Depending on type and number of games, you need roughly a 10' by 10' area per game

MAINTENANCE:

- Site Clean-up after install
- Touch up paint as needed

COST (estimated):

\$1,000-\$2,000

REQUIREMENTS:

- Can be installed at Berry Hill, Gainesway, Idle Hour, MLK, River Hill Woodhill
- Installation should be on existing, paved pathways that are in good shape / free from cracks. Not to be installed on sports courts.
- Appropriate surface prep is required.
- Final location and determination of specific feature will be made upon application.
